The New Generation

The new generation chapter 1

****Lily POV****

I woke up and sighed, it was a beautiful day. Something nagged in the back of mind and I looked at my calendar and got really excited. Today, was the day that my brother Albus was going to Hogwarts. Then I heard Mummy call, "Albus and Lily get changed and come down for breakfast. I found the clothes I had laid out the night before: a pink top with a princess crown on it, a purple frilly skirt, a pair of spandex shorts for underneath, a pink hoodie and a pair of blue converse high-tops. I quickly put those on, grabbed my hair bush and bows and raced down stairs.

****Albus POV ****

When I got down stairs everyone including James, was already down stairs eating breakfast I grabbed a bagel and some jam and sat down at the table. Then, Mum asked, " Albus are excited, nervous, or both? Also are you all packed?"

I replied "both and I can't find my wand."

Dad said looking up, "James, did you take his wand?"

He replied, "Yes,"

Then dad said, "Give it back then please,"

****Lily POV ****

After Albus got his wand back, I asked mummy, "Mummy when are we going to get my school supplies?"

Mummy replied, "After we drop off the boys, okay,"

I said, "Okay and can we go soon,"

Then, Daddy replied, "Yes."
